or

Turn in to the elementary or high school office

This camp will provide participants the opportunity to learn and play volleyball in a fun, safe, and interactive environment. The main goal of our camp is to build a foundation for success in high school and instill a love for the game. Our primary focus for the 1st-5th graders will be on developing the fundamentals of passing, serving, setting, and attacking. For the 6-8th graders, in addition to fundamentals, we will discuss defensive and offensive principles used in our high school program.
